

Certified Nurse Assistant (CNA)

My name is Jenny McCormick and I have been a registered nurse since 2009. I started my medical career in 2002 as a CNA and earned my LPN in 2004. I worked at St. Mary's Hospital in Streator for most of my career on the medical/surgical/pediatric floor. I have worked in other medical fields, such as hospice, the health department and LTC. I started teaching CNA at Grundy Area Vocational Center after receiving my certification in BNATP in 2013. I have been here at IVVC teaching for two years. I am currently enrolled in college, working towards my BSN degree.
