

Rose Greif Culinary Arts Scholarship

This scholarship is being awarded in the name of my mother, Rose Greif, who was a cosmetologist in Sandwich, IL, for almost fifty years, beginning her career in 1943. Rose not only served as a role model for women who wanted to work, she also volunteered many hours for different service organizations in Sandwich and felt giving back to the community is the best thing anyone can do.

If you wish to apply for this scholarship, please complete the attached application and return it to the IVVC office by Friday, March 20, 2020.

Good Luck!

Denise Curran
