

My name is Mrs. Lissman, and I facilitate student services at IVVC, having begun in this position in 2015. I earned a Bachelor of Science Degree in English at Illinois State University and have my teaching certificate for grades 6-12. After graduating college, I taught English at Wheaton Warrenville High School. My next position was working with international students at John Marshall Law School in Chicago and also at Northwestern University. I sum up my work experience by saying I have taught lots of different types of people lots of different types of things! Interacting with students and helping them be successful at IVVC, as well as in the future, is extremely rewarding. I love working here and assisting any student from all of our programs.
